### Manufacturers Discontinuation of a CRB Lubricatant

#### Reference 030

For Continuous Radius Benders (CRBs) manufactured after June of 2000, Glasstech has specified the use of Christo-Lube MCG-407 high temperature grease.

The manufacture of the Christo-Lube MCG-407 will discontinue this product after June of 2001. Glasstech recommends **Dow Corning 44 High Temp** grease as a replacement.
